If the City does not implement the proposed disposition of the grievance made by the Fact Finder, the City shall pay all fees and expenses of the Fact Finder.

**K. Effect of Failure of Timely Action**

Failure of the employee(s) to file an appeal within the required time period at any level shall constitute an abandonment of the grievance. Failure of the City to respond within the time limit at any step shall result in an automatic advancement of the grievance to the next step.

**Article 12. Leaves**

The City shall continue the current sick leave and bereavement leave rules as defined in this Article for the term of this M.O.U.

**A. Bereavement Leave**

Bereavement leave is a separate paid leave which is available to all employees at the time of death or funeral of a member of the employee's immediate family as defined below:

*Wives/Husbands*  
*Grandparent(s)-in-law*  
*Grandchildren*

*Aunts*  
*Fathers-in-law*

*Nieces*  
*Brothers-in-law*

*Grandparent(s)*  
*Children*  
*Legal guardians*  
*Mothers-in-law*  
*Mothers*  
*Uncles*  
*Sisters-in-law*  
*Sisters*  
*Nephews*

Bereavement Leave shall not exceed three (3) work days for the death of a member of the employee's immediate family.

**B. Family Sick Leave - Within Existing Benefit**

An employee may be granted up to a total of forty (40) hours of sick leave in a twelve (12) month period for the purpose of caring for a spouse, parent, or children as defined below. The City Manager can make exceptions to the below upon request of an individual. This exception by the City Manager can include domestic partners.

1. Spouse means a husband or wife as defined or recognized under State law for purposes of marriage in the State where the employee resides, including common law marriage in States where it is recognized.
2. Parent means a biological parent or an individual who stands or stood in loco parentis to

City of Hollister-Hollister Police Officers Association M.O.U.: 08/28/2021-06/30/2023

an employee when the employee was a son or daughter as defined in (3.) below. This term does not include parents "in law".

3. Son or daughter means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and "Incapable of Self-Care because of a Mental or Physical Disability."
  - a. "Incapable of Self-Care" means that the individual requires active assistance or supervision to provide daily self-care in three (3) or more of the "activities of daily living" (ADLs) or "instrumental activities of daily living" (IADLs). Activities of daily living include adaptive activities such as caring appropriately for one's grooming and hygiene, bathing, dressing and eating. Instrumental activities of daily living include cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, using telephones and directories, using a post office, etc.
  - b. "Physical or Mental Disability" means a physical or mental impairment that substantially limits one or more of the major life activities of an individual. Regulations at 29 CFR Sec. 1630.2(h), (i), and (j), issued by the Equal Employment Opportunity Commission under the Americans With Disabilities Act (ADA), 42 U.S.C. 12101 et seq., define these terms.
  - c. Persons who are "In Loco Parentis" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.
  - d. For purposes of confirmation of family relationship, the employer may require the employee giving notice of the need for leave to provide reasonable documentation or statement of family relationship. This documentation may take the form of a simple statement from the employee, or a child's birth certificate, a court document, etc. The employer is entitled to examine documentation such as a birth certificate, etc., but the employee is entitled to the return of the official document submitted for this purpose.

**Article 13.      Layoff**

The City shall have the sole right to determine which class(es) shall be subject to layoff.

**A. Order Of Layoff**

1. The order of layoff of employees within a class or classes subject to layoff, shall be:
  - a. Provisional or Temporary Employees
  - b. Part-time Employees
  - c. Probationary Employees
  - d. Permanent Employees
2. Within each of the first three (3) categories, the order of lay-off shall be at the discretion of the Appointing Authority. Order of layoff of probationary and permanent employees shall

*City of Hollister-Hollister Police Officers Association M.O.U.: 08/28/2021-06/30/2023*

be according to seniority with the employee(s) having lowest seniority to be laid off first. Among employees with equal seniority, the order of layoff shall be determined by the Appointing Authority.

**B. Seniority Determination**

1. Each employee shall receive one (1) point per full month of service in the classification the employee is working at the time a layoff is being imposed. In addition, the employee shall receive one-half (1/2) of a point per full month of service in any other unit classification, which the employee has worked and one-quarter (1/4) of a point per full month of current services in any non-bargaining unit classification. The total of such points shall determine the employee's seniority.
2. Employees subject to layoff may first displace employees of lower seniority in any comparable classification, as determined by the City Manager. As a second alternative to layoff, employees subject to layoff may take a voluntary demotion to any lower classification within the same division of the unit in which the employee had prior permanent status, provided a vacancy exists, or the demoted employee has higher seniority than an employee working in that classification. As a third alternative to layoff, an employee subject to layoff may take voluntary demotion to a vacant position in a lower classification provided the employee can, through a non-competitive examination, establish proof to the satisfaction of the appointing authority that he/she is capable of performing the job.
3. In the event the demoted employee in all the above alternatives has equal seniority with the least senior employee working in the lower classification, the employee to be laid off shall be determined by total seniority with the unit. If such unit seniority is also equal, the employee to be laid off shall be determined by the appointing authority.

**C. Re-employment**

Employees laid off or demoted in lieu of layoff shall have a priority right of return to their prior class or to any lower class in the same or comparable classification series. This right shall remain effective for two (2) years from the date of demotion or separation from the service. The only exception being that any individuals that have been separated from the City will have to meet the current medical and background requirements.

**Article 14. Miscellaneous****A. Personnel Notices**

Police Department management shall notice all officers of any intra departmental promotional possibilities and exams thereto at least thirty (30) days in advance of any exam or record review leading to such promotion.

City of Hollister-Hollister Police Officers Association M.O.U.: 08/28/2021-06/30/2023

**B. Tuition Aid/Reimbursement and Tuition Reimbursement Advancement Program**

"Tuition Aid" is defined as a full or partial payment or reimbursement of registration fees and the minimum requirement of tests for specialized individual academic training which is related to the employee's current job or which prepares an employee for a promotional opportunity within City service. Texts purchased for training by the City will become the City's property upon completion of the training. The individual will have the option of purchasing the texts from the City.

1. Tuition aid for specialized training shall be made to the employee only upon evidence of completion of the training. In those instances, where it is desirable because of the nature of the training to advance tuition aid, a Department Head may request payment of tuition aid prior to the training.
2. Tuition aid for academic training shall be made to the employee only upon evidence of satisfactory completion of the training. Satisfactory completion will be considered a grade of "C" or better, or a grade of pass in a pass/fail grading system.
3. The following procedure shall apply for obtaining tuition aid.
  - a. Employees who desire tuition aid for specialized individual training or academic training shall submit their requests to their department head.
  - b. Requests will be reviewed by the Department Head and forwarded with recommendation to the Human Resources Officer for authorization. Requests for aid and costs shall be processed within the administrative section of the department's budget. Prior authorization of the Human Resources Officer must be obtained before the training starts in order for the employee to qualify for the tuition aid. Employees will be required to pay the tuition costs themselves, prior to the course, but will be reimbursed if the course is authorized and successfully completed as provided for herein. When the training is completed, evidence of satisfactory completion of the training must be submitted to the Human Resources Officer for the purpose of obtaining reimbursement.
  - c. An employee being subsidized by another agency, either governmental or private, shall receive tuition aid only to the extent not reimbursed by such other agency.
4. The City will pay a maximum of Three Thousand Five Hundred Dollars (\$3,500.00) per fiscal year to any eligible unit member that meets the above listed criteria for tuition aid.
5. A Tuition Reimbursement Advancement Program would allow police personnel who are in good standing, have completed their probationary period and has received approval from their supervisor to have amounts in excess of the Three Thousand Five Hundred Dollars \$3,500 in one year.

The program would require the employee to enter into an employment contract with the city. The contract would specify how many years of advancement would be provided to the employee and the prorated amount of years the employee must stay employed. If the employee leaves employment for any reason, that employee would be required to refund

*City of Hollister-Hollister Police Officers Association M.O.U.: 08/28/2021-06/30/2023*

the remaining amount of the prorated funds.

Example: an employee has tuition and book cost of (Seven Thousand Dollars) \$7,000.00 to finish his/her Bachelor's degree. The employee enters into a contract and the fund are paid in advance to the employee or school. However, (Seven Thousand Dollars) \$7,000.00 is equivalent to (two) 2 years of reimbursement. That would require the employee to remain an employee for two years. If the officer leaves employment after one year, that individual would be required to reimburse the city for the last year of tuition reimbursement that had been advanced.

### **C. Vacation Accrual And Vacation Allowance**

1. The City agrees to provide vacation leave accrual for each represented unit member as follows:

| <u><i>Years of Service</i></u>         | <u><i>Annual Vacation Accrual</i></u> |
|--|---------------------------------------|
| <i>1st through completion of 3rd</i>   | <i>10 Days</i>                        |
| <i>4th through completion of 7th</i>   | <i>15 Days</i>                        |
| <i>8th through completion of 15th</i>  | <i>20 Days</i>                        |
| <i>16th through completion of 20th</i> | <i>22 Days</i>                        |
| <i>beginning of 21st Year</i>          | <i>25 Days</i>                        |

2. Upon prior written approval by the City Manager, vacation accrual beyond two hundred forty (240) hours may occur.
3. Unit Members may cash out vacation leave hours in increments of ten (10) hours as long

as it has been budgeted and must have the City Manager's Approval. Compensation for vacation leave cashed out will be made at the employee's rate of pay at the time of cash out. Request for payment of vacation time shall be made in writing to the Department of Administrative Services at least thirty (30) days in advance.

Payments of cashed-out vacation leave will be made on the first full pay day which follows the end of the thirty (30) day advance. This payment will be made in the regular payroll check issued for that pay period.

4. Effective upon the signing of this Agreement, for recruiting purposes only, based upon a new employee's previous years of service as a Peace Officer with the Agency they just left, the new employee may receive, at the time of hire, a vacation accrual rate higher than the City's beginning accrual rate of six point six-seven (6.67) hours per month, or three point zero eight (3.08) hours per pay period. The higher accrual rate will be in accordance with the City's current Annual Vacation Accrual Schedule.

### **D. CalPERS Credit For Unused Sick Leave**

The City shall continue to provide the CalPERS Section 20965 "Credit For Unused Sick Leave"

City of Hollister-Hollister Police Officers Association M.O.U.: 08/28/2021-06/30/2023

Eligible unit employees may convert a percentage of accrued, unused sick leave to cash at death or retirement from City employment. The provisions for this policy are as follows:

1. Employees of this unit may not "cash out" or be compensated for any of the first two hundred forty (240) hours of sick leave accrued.
2. Any current employee of this unit having completed ten (10) years of continuous service with the City and who retires from City service by filing for Service Retirement with CalPERS, will be compensated for twenty-five percent (25%) of accrued, unused sick leave in excess of two hundred forty (240) hours at the employee's hourly rate of pay at the time of retirement from City service.

The surviving spouse, beneficiary(s), dependent(s) or estate of any current employee of this unit who has completed ten (10) years of continuous service with the City and dies while employed by the City prior to retirement, will be compensated for fifty percent (50%) of accrued, unused sick leave in excess of two hundred forty (240) hours at the employee's hourly rate of pay at the time of death.

Any current employee of this unit having completed ten (10) years of continuous service with the City and having an unused sick leave accrual balance exceeding five hundred (500) hours may, at their option, "cash out" up to a maximum of ninety-six (96) hours (12 days) of unused sick leave annually as long as the "cashed out" hours do not diminish the unused sick leave accrual balance to an amount less than five hundred (500) hours.

Compensation for unused, accrued sick leave will be made at the employee's rate of pay at the time of "cash out". Requests for payment of unused sick leave as described herein, shall be made in writing to the Finance Department at least thirty (30) days in advance of June 1st and December 1st of each year.

2. All members who leave the City's employment and return to the City within one (1) year (364 calendar days) will be placed on a three (3) month probationary period as long as the employee:
